COMMITTEE APPROVES UNION AGREEMENT WITH ATTORNEYS

Action addresses structural deficit and lays groundwork for further restructuring

Milwaukee, WI – Milwaukee County Supervisor Patricia Jursik, Chairwoman of the County Board's Personnel Committee, released the following statement after the Committee approved a Memorandum of Agreement between Milwaukee County and the Association of Milwaukee County Attorneys:

"The County Board's Personnel Committee this morning voted unanimously to approve a collective bargaining agreement with the Association of Milwaukee County Attorneys. The entire Personnel Committee thanked the Attorneys for agreeing to a contract that helps the County find solutions to the structural deficit encountered this budget year. This is a time of deep economic upheaval, and this agreement provides taxpayers with necessary County services while supplying family supporting jobs to our county residents.

"Along with agreements approved earlier this year for machinists, architects, engineers, nurses and skilled trades, the agreement with the County's attorneys addresses our structural deficit and lays the groundwork for restructuring government. At the same time, Milwaukee County will continue its efforts to reach economic stability with the entire County workforce."

The County Board's Finance & Audit Committee also approved the agreement on Thursday.
